POLICY

1. Authority, Purpose, Intent, and Scope

a. Authority: to the extent the Policy delegates any authority, it is so delegated to the County Administrator.

b. Purpose: to establish a policy and procedure to govern the establishment, appointment, function, operation, and dissolution of all Advisory Committees appointed by the Board.

c. Intent:

i. to efficiently manage the resources available to Leon County by assuring that all Advisory Committees function in the most fiscally responsible manner and , when no longer needed, are dissolved as soon as practicable;

ii. to assure that all Advisory Committees appointed by the Board comply with all applicable Government-in-the-Sunshine, Public Records and Code of Ethics Laws; and

iii. to assure that all citizens who volunteer their time to serve on an Advisory Committee are protected from unknowingly committing an unlawful act by appointing them only to appropriate committees and providing them with a thorough Orientation.

d. Scope: governs all Board-appointed Advisory Committees in existence on the Effective Date of the Policy and to any Board-appointed Advisory Committees thereafter established; and shall not apply to any committees or groups appointed by the County Administrator under his/her executive powers, duties, or responsibilities as provided under the Administrative Code of Leon County, as may be amended from time to time, or any other executive power provided under any other statute, ordinance, or rule promulgated by federal, state, or local law.
